Social Club Contract:

I hereby entrust Prestonwood Kennels to care for my dog for its Social Club stay as long as I am a client of Prestonwood Kennels and agree to all of the terms listed below.

I agree to pay the daily Prestonwood Kennels Social Club rates. If my pet requires Special Care, I authorize Prestonwood Kennels to do whatever they deem necessary for the health and wellbeing of my pet that care and agree to pay for those services.

SOCIAL CLUB HOURS: Full Day - 7am to 5pm (drop-off between 7am-9am for full day)

Half Day - 7am-12pm or 12pm-5pm

Pick up is by 7:00 p.m. when Prestonwood Kennels closes.

Board and Social: On pickup day BS will only be a half day unless you are picking up after 5PM all boarding fees apply.

RESERVATION POLICY: A reservation is required for all dogs to attend dog Social Club. We do not offer same day drop-off services except with temperament testing.

I understand that the Prestonwood Kennels Social Club Full Day punch card packages may not be split in half. Full day punch card packages must be used for a full day and will not be discounted if you choose to pick up your pet before the end of the day. Packages are setup for each individual dog and may not be used by any other dog but the one that it is purchased for. In the event of a death you may roll the package over to a new pet as long as prior arrangements have been made with Prestonwood Kennels.

DROP-OFF/PICK-UP: I understand that I must provide written authorization to allow anyone else to pick up my dog, and people who are authorized by you will be required to present a valid picture identification to ensure the safety of your dog. Drop-off & pick-up of my pet must occur during our open-to-the-public hours posted on our web site - NO early drop-offs or late pick-ups are allowed. Dogs that are not picked up by closing time (7:00 p.m.) will be boarded overnight, and overnight fees (boarding and feeding) will apply. I authorize Prestonwood Kennels to use my Credit Card on file to pay my boarding charges. I agree to pay for any auxiliary services or products requested by me such as playtime, transportation, grooming, etc.

BEHAVIOR: All dogs must be non-aggressive and non-food or toy protective. I certify my pet has not harmed or shown any aggressive or threatening behavior towards any person or any other dogs. Please remember that your pet will be spending time with other pets and the safety and health of the pack is our main concern. In order to maintain a safe play environment for the dogs, any dog that misbehaves will be given a time-out from the Social Club area. Because excessive barking can escalate the intensity of the pack dynamic, we reserve the right to use citronella if we feel it is necessary.

HEALTH: Prestonwood Kennels Social Club is for happy, healthy dogs. Prestonwood Kennels Social Club is not recommended for dogs that have medical conditions such as diabetes, seizures, heart murmurs or any other medical condition that may be aggravated by excitement or rough play. PRESTONWOOD KENNELS LLC assumes no responsibility for the aggravation of any medical disorders caused by my pet participation in Prestonwood Kennels Social Club. All dogs must not have fleas (we strongly recommend that your dog receive some form of monthly topical flea treatment plan - please consult your veterinarian for more information about flea treatment options). If any pet is found to have fleas at check-in time, PRESTONWOOD KENNELS LLC will treat the pet with a Capstar pill, (a flea control that kills adult fleas starting within 30 minutes) and owner will be responsible for the cost of treatment of \$12.00. Owners will certify that their dogs are in good health and have not been ill with a communicable condition in the last 30 days. Dogs that have been ill with a communicable condition in the last 30 days will require a veterinary certificate of health to be admitted or re-admitted. Any dog with diarrhea will be removed from Social Club and will not be able to socialize with the other dogs until this problem has been resolved. If Prestonwood Kennels decides my pet needs veterinarian attention while in their care I give my permission for the veterinarian clinic and Prestonwood Kennels to charge my credit card on file for veterinarian expenses or services provided by Prestonwood Kennels.

MEDICATION: We are happy to give oral or topical medication to your dog but it requires the following: all medications must include your dog's name, the name and strength of the medication, and directions including dosage, number of times per day, how it is to be given, illness to be treated, areas to be treated, etc.

COLLARS: No personal collars are allowed in the Social Club at any time.

Continued on other side!

POSSIBLE RISKS AT OWNERS EXPENCE: Dog fights, worn pads, twisted ankles, sore muscles etc. Dogs may come back dirty or wet at times. Owners understand that supervised off-leash socialization and interaction between our guests is encouraged. Owners also acknowledge that dogs are unpredictable in behavior and are aware of the risks involved in such play and assume all risks. While we provide the best care possible, there can be a risk of injury to a dog in Social Club.

AGE REQUIREMENTS: Puppies as young as 6 months of age are welcome to join our pack provided our temperament test determines they are emotionally ready to join the group and are current on all puppy vaccines.

SPAY/NEUTER: All male dogs must be neutered in order to socialize with the other dogs in Social Club. Unaltered female dogs may not participate in Social Club if they are showing any signs of being in heat.

VACCINATION POLICY: All canine guests must have up-to-date vaccinations and annual negative fecal tests in order to be a member of our pack. Owners must submit written proof of current DHPP (Distemper, Hepatitis, Parainfluenza and Parvo virus), Bordetella (kennel cough) and Rabies vaccinations as well as an annual negative fecal float test. For new clients, the fecal test must be conducted within the last 90 days prior to your temperament test. We do not except titer tests. You can either bring us a copy of your dog's vaccination and fecal records or simply have your Vet fax the records directly to us at 281-890-9023.

To the best of my knowledge, the information that I have provided on this form is both accurate and true. I also acknowledge that I have read, understand this agreement. I understood its terms and signed it freely and agree to abide by the policies and procedures.

I have read this agreement and understood its terms and signed it freely.
